

Peace through Folk Choir Diary Issued 25th September 2018

Mid-week rehearsals take place on the FIRST Thursday and the THIRD Wednesday with Penny. The Sunday afternoons dates with Lester vary according to his availability and are detailed below. **Performance dates are listed below in RED.**

The Choir often achieves over 85% attendance which is fantastic. Please carry on doing what you can to arrange your schedule around these important dates!

As you know we are more than just a community choir that is happy to just turn up to socialise and enjoy rehearsals and may be sing out a few times a year. We need to be out as often as possible.

Good attendance is pivotal to our success as a Campaigning Peace Choir with a very clear mission. We need to ensure that we have sufficient resources and well prepared members to fulfil these objectives in the future.

Please check the singing out sheet to ensure that your availability for each event has been recorded correctly.

At rehearsals we start singing at 7:30pm on Wednesdays and Thursdays (with Penny) and at 1:30pm on the Sundays (Lester). The kettle will be on and door open 30 minutes before the given start times!
